Oct' 15-Present

Daniels Place/Daniels village (Step Up on Second)

Program Manager

Santa Monica, CA

Primary responsibilities were to direct day-to day operations and staff schedules; conduct weekly team meetings, supervise, hire and manage and evaluate staff; monitor budgetary and programmatic expenditures for programs that provide services to Transitional aged youth (TAY) 16-25 and young adults 18-28 years of age.

Maintain compliance of site-specific programs to meet grant-funding requirements. Ensure and maintain all documentation and data as required.

Oversee and coordinate with staff on tasks related to daily program implementation to ensure adequate support of peer staff; scheduling of client support groups and family meetings coordinated by family peer advocate.

Coordinate and supervise clinical students, interns, peers and non-licensed staff.

Oversee DMH programs including providing case consultation with treatment staff.

(DMH programs includes homeless expansion services, TAY FCCS, FSP and general outpatient)

Attend community organizations meetings and educate on TAY specific mental illness and homelessness to increase awareness of Daniels Place resource for support and the range of services provided to TAY population.
